

# ICESat-2 1/48th Scale Model

(2014 version)  
Model design  
copyright 2014  
Michael Mackowski

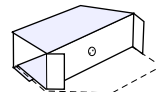

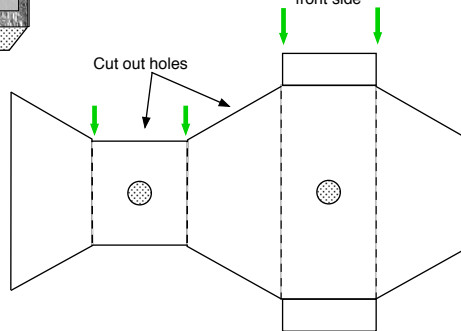

This edge  
overhangs the  
ATLAS  
module

Cut coffee stirrer to this length. Slice half off one end.

Score all on  
front side

Cut out holes

Fold into box-like  
structure to internally  
support solar array stick
